• • • **About the Owner** • • •

A lifelong resident of Salem, NH, Rosemary (Rosey) Bedrosian Najjar was inspired by food at an early age. She learned the art of cooking through classic, first-generation Armenian and Lebanese recipes in the kitchens of her mother, grandmother and aunts.

For thirteen years, Rosey established and ran a successful hair salon, Sagittarius Concept, but never truly forgot the joy she felt working side-by-side with family in a kitchen, crafting those family recipes. She made the decision to follow her passion and opened Rosey's Place, renowned for its award-winning breakfasts, monthly Cruise Nights and the "go-to spot for breakfast" before Bike Week's annual hill climb.

During its eleven-year run, Rosey's Place also built a reputation as a go-to spot for catering, due to Rosey's eye for detail, quality of food and ability to deliver a professional service to events of all shapes and sizes. Catering opened new doors for Rosey as it not only allowed her to deliver the level of quality cuisine food that made Rosey's Place famous, but also to experiment and find new opportunities to bring her family's Mediterranean recipes into the mix.

Deciding to make catering more of a focus, Rosey made the decision to reinvent Rosey's Place into Gourmet Bites, a catering service that would continue to deliver the quality of food and professionalism for which Rosey was known, with a focus on Mediterranean and Classic American cuisine.

Over the last decade, Gourmet Bites has delivered on that vision, fulfilling the catering needs of hundreds of events, as well as moving into a greatly expanded kitchen and catering facility.

Whether you are planning a wedding, birthday, shower, corporate lunch or any occasion, Rosey and the team at Gourmet Bites look forward to helping you plan the perfect event.

Our Cafe . . .

Thank you so much for helping me recently with providing my dear friend and her husband with several meals. She was recuperating from knee replacement surgery and I wanted to provide her and her husband with some dinners. The Salem New Hampshire Chamber of Commerce highly recommended you to me. I live in Florida and had no idea of who or what might be available in the Salem area to help me out.

My friends were thrilled when your dinners arrived. They said the portions were substantial and tasted great. Your suggestions of what I should order worked perfectly and you made everything so easy for me.

- Irene M.

Best breakfast in Salem (sorry Maddie's). Rosey always makes the best food! I love the fact that she has specials, based on whatever she felt like cooking up. Captain Crunch French toast? Amazing! She makes a lot of the sauces herself, which is really cool. She also does catering, and that food is just as delicious!

- Emily M.

Our Catering . . .

Reasonably priced with a diverse menu. They arrived on time, food was consistently excellent, and crew got the dishes served on schedule, and they left my kitchen clean. I'll use them again and definitely recommend!!

- Eric H.

The most amazing food!!! Not only do they have the best prices, they have the best food as well. I've used lots of catering companies but nothing compares to Gourmet Bites. Very professional staff and the freshest food. They will even come and cook for you and your guests at your house!

- Maria A.
